About Us.

Introduction

Bharat Plastic Manufacturing Company is a trusted leader in the field of industrial packaging materials, bringing over five decades of expertise to the industry. Operating as an ISO 9001:2015 certified and MSME-registered enterprise, our manufacturing facility is equipped with modern, high-capacity machinery. We focus on innovation, efficiency, and precision manufacturing, backed by a strong quality control system to deliver premium products consistently.

We specialise in manufacturing a comprehensive range of customised packaging solutions tailored to meet the demands of diverse sectors. Our extensive product portfolio includes LDPE Bags, Rolls and Tubes, Stretch and Shrink Films, Polythene Covers, Air Bubble Rolls, VCI Anti- Rust Bags, BOPP Bags and Zip Lock Bags, alongside many other specialised packaging materials. With a proven track record of serving numerous OEMs and MNCs, we provide reliable supply chain support, customizable dimensions, and high-quality solutions that add genuine value to our clients' operations.

Mission & Vision.

MISSION

- To engineer and deliver premium-grade, highly customised packaging solutions that meet the exacting standards of the industrial sectors.
- To provide unwavering supply chain support to our clients through reliable, timely deliveries and responsive service.
- To continuously optimise our production efficiency and quality control, leveraging over five decades of expertise to add tangible value to every partnership.

VISION

- To be the most trusted and preferred packaging partner for OEMs and multinational corporations, recognised for our commitment to quality.
- To continuously expand and modernise our manufacturing infrastructure, while staying at the forefront of protective and flexible polymer packaging technology.
- To set industry benchmarks for reliability and versatility, forging mutually beneficial relationships across diverse market sectors.
- To consistently deliver cost-effective packaging solutions, maintaining highly competitive pricing through optimised manufacturing efficiencies without ever compromising on quality.

Why Us?

- **Five Decades of Expertise:** With over 50 years in the packaging industry, our ISO 9001:2015 certified and MSME-registered operations guarantee international standards of quality and stability.
- **Unmatched Customization:** Equipped with modern, high-capacity machinery, we engineer tailored solutions, offering custom dimensions, multi-layer polymers, and specialty treatments like VCI (anti-rust) and anti-static.
- **Cost-Effective Quality:** By leveraging lean manufacturing and optimized production, we maintain highly competitive pricing while consistently delivering premium-grade materials.
- **Proven Reliability:** Trusted by major multinational corporations and leading OEMs, we act as a dependable partner dedicated to adding seamless value to your supply chain.

Certification and Licenses

At Bharat Plastic Manufacturing Co., our commitment to quality, environmental sustainability, and operational excellence is backed by recognised industry certifications and official government licenses. These credentials reflect our dedication to maintaining the highest standards in every aspect of our business.

- **ISO 9001:2015 Certification:** Our manufacturing processes are certified for rigorous quality management, ensuring the consistent production and supply of premium packaging products, including LDPE polythene bags and air bubble sheets.
- **MPCB Consent to Operate:** We strictly adhere to environmental regulations and operate a certified "Green" category facility approved by the Maharashtra Pollution Control Board, with our consent validity secured through 2040.
- **EPR (Extended Producer Responsibility) Registered:** Demonstrating our commitment to the environment, we hold an official EPR Registration Certificate as a Producer from the Maharashtra Pollution Control Board, ensuring full compliance with modern Plastic Waste Management Rules.
- **MSME (Udyam) Registration:** We are proudly registered as a MSME under the Government of India's Udyam framework, reflecting our recognised status as a verified manufacturing business.
- **Importer-Exporter Code (IEC):** Authorised by the Directorate General of Foreign Trade (DGFT), we hold a valid IEC, equipping our company with the necessary credentials to seamlessly handle international trade and global supply chain requirements.
